POSTAL NOTICES.

FINANCIAL DEPARTMENT.

NOTIFICATION.—SEPARATE REVENUE.—POST OFFICE.

Simla, the 16th June 1876.

No 1070.—British India having been admitted to the General Postal Union, with effect from the 1st July 1876, the Governor-General in Council is pleased, in exercise of the powers conferred by the Indian Post Office Act, 1866, to direct that, on and after the 1st July 1876, the following postage-duties shall be chargeable on letters and other articles hereinafter specified, sent through the post from any place in British India to any of the countries mentioned in the Schedule hereunto annexed; and that the transmission through the post of the said other articles shall be subject to the following rules and conditions; and to make the following orders and directions:—

Postage-duties chargeable upon letters and other articles sent through the post from any part of British India to any country belonging to the General Postal Union.

	Each letter per $\frac{1}{4}$ oz.	PRINTED PAPERS, LEGAL AND COMMERCIAL DOCUMENTS, AND PATTERNS.	
		Each news- paper, per 4 ozs.	Each packet of printed papers, &c., per 2 ozs.
	Annas.	Annas.	Annas.
Up letters sent through the post from any place in British India—to the United Kingdom and countries belonging to the Union served through the United Kingdom—			
<i>via</i> Brindisi	6	2	2½
<i>via</i> Southampton	5	1	1½
to Aden, Malta, and Gibraltar	4	1	1½
to any country belonging to the Union not coming under the foregoing heads	5	1	1½

2. The higher rates thus prescribed for correspondence sent *via* Brindisi to the United Kingdom and countries served through it result from the conveyance of such mails by special train through Italy and France; and the lower rates of letter postage for Aden, Malta, and Gibraltar, are those hitherto in force, which it is not the object of the present arrangement to increase.

3. The annexed Schedule shows in detail the countries coming under the foregoing heads, as well as the routes and other particulars connected with the transmission of correspondence to them.

Printed Papers and Legal and Commercial Documents.

(N.B.—Attention is drawn to the limit of weight, *viz.* 2 lb, fixed for a packet of printed papers or legal and commercial documents. See Schedule.)

4. Under the head of "Printed Papers" are included newspapers, stitched or bound books, pamphlets, music, visiting cards, catalogues, prospectuses, announcements and notices of various kinds, whether printed, engraved or lithographed and photographs. Under the head of "Legal and Commercial Documents" are included acts or deeds of all kinds drawn up by public functionaries, invoices, policies of insurance, copies or extracts of deeds under private seal, written upon stamped or unstamped paper, scores or sheets of manuscript music, and in general all manuscript papers and documents which have not the character of an actual and personal correspondence.

5. Articles posted as "Printed Papers" or as "Legal and Commercial Documents" must be placed under bands or simply folded, so as to admit of the contents being easily examined, and, excepting as follows, "Printed Papers" must contain no manuscript writing, figure, or mark whatever:—

(a.) Proofs of printing or of music may bear corrections made with a pen, relating exclusively to the text or to the execution of the work. Manuscript may be annexed to such proofs.

(b.) Circulars, Notices, &c., may bear the signature of the sender, with his trade or profession, and may also show the place of origin and the date.

(c.) A book may contain a manuscript dedication or a complimentary inscription from the author.

(d.) Passages in the text to which it is desired to call attention may be marked with a simple stroke.

(e.) Prices may be added in manuscript or otherwise on printed or lithographed stock and share lists, prices current, and market reports.

(f.) No other manuscript additions may be made; nor are typographical additions allowed, if they tend to take from the packet its general character.

6. Articles posted as "Printed Papers" or "Legal and Commercial Documents" which do not fulfil the foregoing conditions, or are not fully prepaid, will be treated as unpaid letters, with the sole exception of newspapers and printed papers, such as circulars, notices, &c., which will, in such cases, not be forwarded.

Patterns of Merchandise.

(N. B.—Attention is drawn to the limit of weight, *viz.* 8 ounces, fixed for a packet of patterns. See Schedule.)

7. Patterns of merchandise are chargeable with the reduced postage under the following conditions:—

(a.) They must be placed in bags, or in boxes, or envelopes removeable so as to admit of an easy examination of their contents.

(b.) They must not have any saleable value, or bear any manuscript writing other than the name or the trade or profession of the sender, the address of the person for whom the packet is intended, a manufacturer's or trade mark, numbers and prices.

8. Patterns of merchandise may not be introduced into a letter or into a packet of any other kind, unless they form an integral part of a particular work.

9. Patterns not packed in accordance with these conditions, or not fully prepaid, will be treated as unpaid letters, except those which are valuable. The latter will not be forwarded, nor any of which the conveyance would be attended with risk or danger.

Money, Jewels, &c., and articles liable to customs duty.

10. No letter or packet containing gold or silver money, jewels, or precious articles, or any article liable to customs duty may be sent through the post under this Notification.

Correspondence received from countries belonging to the Union.

11. Although post cards are not among the classes of correspondence, for the transmission of which by post from India provision has been made, those received from other countries of the Union will be delivered in India as paid letters.

12. Letters received from any country of the Union as unpaid or insufficiently paid will be charged, on delivery, at the rate which would be chargeable on a letter posted in India for that country by the same route, together with an additional rate of two and a half annas per half ounce. The value of any stamps (as marked by the country of origin) which may be affixed to an insufficiently paid letter will be deducted from the amount thus chargeable, fractions of an anna in the remainder being raised to one anna.

13. No additional postage will henceforth be charged for the redirection of letters or other articles sent through the post from any foreign country, whether belonging to the General Postal Union or not, to any place in British India.

POSTAL NOTICES.

FINANCIAL DEPARTMENT.

NOTIFICATION.—SEPARATE REVENUE.—POST OFFICE.

Simla, the 16th June 1876.

No 1070.—British India having been admitted to the General Postal Union, with effect from the 1st July 1876, the Governor-General in Council is pleased, in exercise of the powers conferred by the Indian Post Office Act, 1866, to direct that, on and after the 1st July 1876, the following postage-duties shall be chargeable on letters and other articles hereinafter specified, sent through the post from any place in British India to any of the countries mentioned in the Schedule hereunto annexed; and that the transmission through the post of the said other articles shall be subject to the following rules and conditions; and to make the following orders and directions:—

Postage-duties chargeable upon letters and other articles sent through the post from any part of British India to any country belonging to the General Postal Union.

	Each letter per $\frac{1}{2}$ oz.	PRINTED PAPERS, LEGAL AND COMMERCIAL DOCUMENTS, AND PATTERNS.	
		Each news- paper, per $\frac{1}{4}$ ozs.	Each packet of printed papers, &c., per 2 ozs.
	Annas.	Annas.	Annas.
Upon letters sent through the post from any place in British India—to the United Kingdom and countries belonging to the Union served through the United Kingdom—			
<i>via</i> Brindisi	6	2	2 $\frac{1}{2}$
<i>via</i> Southampton	5	1	1 $\frac{1}{2}$
to Aden, Malta, and Gibraltar	4	1	1 $\frac{1}{2}$
to any country belonging to the Union not coming under the foregoing heads	5	1	1 $\frac{1}{2}$

2. The higher rates thus prescribed for correspondence sent *via* Brindisi to the United Kingdom and countries served through it result from the conveyance of such mails by special train through Italy and France; and the lower rates of letter postage for Aden, Malta, and Gibraltar, are those hitherto in force, which it is not the object of the present arrangement to increase.

3. The annexed Schedule shows in detail the countries coming under the foregoing heads, as well as the routes and other particulars connected with the transmission of correspondence to them.

Printed Papers and Legal and Commercial Documents.

(N.B.—Attention is drawn to the limit of weight, viz. 2 lb, fixed for a packet of printed papers or legal and commercial documents. See Schedule.)

* 4. Under the head of "Printed Papers" are included newspapers, stitched or bound books, pamphlets, music, visiting cards, catalogues, prospectuses, announcements and notices of various kinds, whether printed, engraved or lithographed and photographs. Under the head of "Legal and Commercial Documents" are included acts or deeds of all kinds drawn up by public functionaries, invoices, policies of insurance, copies or extracts of deeds under private seal, written upon stamped or unstamped paper, scores or sheets of manuscript music, and in general all manuscript papers and documents which have not the character of an actual and personal correspondence.

5. Articles posted as "Printed Papers" or as "Legal and Commercial Documents" must be placed under bands or simply folded, so as to admit of the contents being easily examined, and, excepting as follows, "Printed Papers" must contain no manuscript writing, figure, or mark whatever:—

- (a.) Proofs of printing or of music may bear corrections made with a pen, relating exclusively to the text or to the execution of the work. Manuscript may be annexed to such proofs.
- (b.) Circulars, Notices, &c., may bear the signature of the sender, with his trade or profession, and may also show the place of origin and the date.
- (c.) A book may contain a manuscript dedication or a complimentary inscription from the author.
- (d.) Passages in the text to which it is desired to call attention may be marked with a simple stroke.
- (e.) Prices may be added in manuscript or otherwise on printed or lithographed stock and share lists, prices current, and market reports.
- (f.) No other manuscript additions may be made; nor are typographical additions allowed, if they tend to take from the packet its general character.

6. Articles posted as "Printed Papers" or "Legal and Commercial Documents" which do not fulfil the foregoing conditions, or are not fully prepaid, will be treated as unpaid letters, with the sole exception of newspapers and printed papers, such as circulars, notices, &c., which will, in such cases, not be forwarded.

Patterns of Merchandise.

(N. B.—Attention is drawn to the limit of weight, viz. 8 ounces, fixed for a packet of patterns. See Schedule.)

7. Patterns of merchandise are chargeable with the reduced postage under the following conditions:—

- (a.) They must be placed in bags, or in boxes, or envelopes removeable so as to admit of an easy examination of their contents.
- (b.) They must not have any saleable value, or bear any manuscript writing other than the name or the trade or profession of the sender, the address of the person for whom the packet is intended, a manufacturer's or trade mark, numbers and prices.

8. Patterns of merchandise may not be introduced into a letter, or into a packet of any other kind, unless they form an integral part of a particular work.

9. Patterns not packed in accordance with these conditions, or not fully prepaid, will be treated as unpaid letters, except those which are valuable. The latter will not be forwarded, nor any of which the conveyance would be attended with risk or danger.

Money, Jewels, &c., and articles liable to customs duty.

10. No letter or packet containing gold or silver money, jewels, or precious articles, or any article liable to customs duty may be sent through the post under this Notification.

Correspondence received from countries belonging to the Union.

11. Although post cards are not among the classes of correspondence, for the transmission of which by post from India provision has been made, those received from other countries of the Union will be delivered in India as paid letters.

12. Letters received from any country of the Union as unpaid or insufficiently paid will be charged, on delivery, at the rate which would be chargeable on a letter posted in India for that country by the same route, together with an additional rate of two and a half annas per half ounce. The value of any stamps (as marked by the country of origin) which may be affixed to an insufficiently paid letter will be deducted from the amount thus chargeable, fractions of an anna in the remainder being raised to one anna.

13. No additional postage will henceforth be charged for the redirection of letters or other articles sent through the post from any foreign country, whether belonging to the General Postal Union or not, to any place in British India.

No 1070.—British India having been admitted to the General Postal Union, with effect from the 1st July 1876, the Governor-General in Council is pleased, in exercise of the powers conferred by the Indian Post Office Act, 1866, to direct that, on and after the 1st July 1876, the following postage-duties shall be chargeable on letters and other articles hereinafter specified, sent through the post from any place in British India to any of the countries mentioned in the Schedule hereunto annexed; and that the transmission through the post of the said other articles shall be subject to the following rules and conditions; and to make the following orders and directions:—

Postage duties chargeable upon letters and other articles sent through the post from any part of British India to any country belonging to the General Postal Union.

	Each letter per $\frac{1}{4}$ oz.	PRINTED PAPERS, LEGAL AND COMMERCIAL DOCUMENTS, AND PATTERNS.	
		Each news- paper, per $\frac{1}{4}$ ozs.	Each packet of printed papers, &c., per 2 ozs.
Upon letters sent through the post from any place in British India— to the United Kingdom and countries belonging to the Union served through the United Kingdom—	Annas.	Annas.	Annas.
<i>via</i> Brindisi	6	2	2 $\frac{1}{2}$
<i>via</i> Southampton	5	1	1 $\frac{1}{2}$
to Aden, Malta, and Gibraltar	4	1	1 $\frac{1}{2}$
to any country belonging to the Union not coming under the foregoing heads	5	1	1 $\frac{1}{2}$

2. The higher rates thus prescribed for correspondence sent *via* Brindisi to the United Kingdom and countries served through it result from the conveyance of such mails by special train through Italy and France; and the lower rates of letter postage for Aden, Malta, and Gibraltar, are those hitherto in force, which it is not the object of the present arrangement to increase.

3. The annexed Schedule shows in detail the countries coming under the foregoing heads, as well as the routes and other particulars connected with the transmission of correspondence to them.

Printed Papers and Legal and Commercial Documents.

(N.B.—Attention is drawn to the limit of weight, viz. 2 lb, fixed for a packet of printed papers or legal and commercial documents. See Schedule.)

4. Under the head of "Printed Papers" are included newspapers, stitched or bound books, pamphlets, music, visiting cards, catalogues, prospectuses, announcements and notices of various kinds, whether printed, engraved or lithographed and photographs. Under the head of "Legal and Commercial Documents" are included acts or deeds of all kinds drawn up by public functionaries, invoices, policies of insurance, copies or extracts of deeds under private seal, written upon stamped or unstamped paper, scores or sheets of manuscript music, and in general all manuscript papers and documents which have not the character of an actual and personal correspondence.

5. Articles posted as "Printed Papers" or as "Legal and Commercial Documents" must be placed under bands or simply folded, so as to admit of the contents being easily examined, and, excepting as follows, "Printed Papers" must contain no manuscript writing, figure, or mark whatever:—

- (a.) Proofs of printing or of music may bear corrections made with a pen, relating exclusively to the text or to the execution of the work. Manuscript may be annexed to such proofs.
- (b.) Circulars, Notices, &c., may bear the signature of the sender, with his trade or profession, and may also show the place of origin and the date.
- (c.) A book may contain a manuscript dedication or a complimentary inscription from the author.

(d.) Passages in the text to which it is desired to call attention may be marked with a simple stroke.

(e.) Prices may be added in manuscript or otherwise on printed or lithographed stock and share lists, prices current, and market reports.

(f.) No other manuscript additions may be made; nor are typographical additions allowed, if they tend to take from the packet its general character.

6. Articles posted as "Printed Papers" or "Legal and Commercial Documents" which do not fulfil the foregoing conditions, or are not fully prepaid, will be treated as unpaid letters, with the sole exception of newspapers and printed papers, such as circulars, notices, &c., which will, in such cases, not be forwarded.

Patterns of Merchandise.

(N. B.—Attention is drawn to the limit of weight, viz. 8 ounces, fixed for a packet of patterns. See Schedule.)

7. Patterns of merchandise are chargeable with the reduced postage under the following conditions:—

(a.) They must be placed in bags, or in boxes, or envelopes removeable so as to admit of an easy examination of their contents.

(b.) They must not have any saleable value, or bear any manuscript writing other than the name or the trade or profession of the sender, the address of the person for whom the packet is intended, a manufacturer's or trade mark, numbers and prices.
